

# Best Cycle Under 10000 Rupees [Updated 2018]

By Abhishek Tarfe | [www.velocrushindia.com](http://www.velocrushindia.com)

# B'twin My Bike (4,499)

If you're looking for a bicycle that is well suited for urban commuting, the B'twin my bike is for you.

The single speed bicycle comes with frames and wheels that are well designed for the pathetic Indian roads. A wide bicycle seat to support your rear, raised handlebar for a better posture makes the B'twin my bike the best bicycle in India under 5000.

# B'twin Riverside 50 (INR 6,999):

Looking to squeeze in a 30 to one-hour workout on a bicycle?

Look no further the B'twin riverside is the most affordable Hybrid bike with a straight body posture. With this bike, you can ride with a straight posture on the highway and within the city.

If you are on a low budget but wish to squeeze in a 30 to one-hour workout, opt for the best gear cycle under 10000.

# Elops 100 classic city cycle:

Do you'll remember the ladybird? This is just one level up! The Elops 100 classic cycle is meant for short rides around town. Fancy riding a bicycle to college, work or shopping?

This bicycle is comfortable and perfect for everyday usage.

If you dislike the top bar while getting on and off the bike, this is the best cycle under 10000 rupees for women. After all, our list if never complete without a women's bike!

# B'twin Riverside 100 (INR 8,999):

Another good bicycle made by Decathlon is the Btwin Riverside 100. This bike too is ideal for bike rides of 30 minutes to 1 hour in parks and along road-worthy trails.

The Riverside 100 is versatile enough to take you on weekend rides as well.

# B'twin Rockrider 300 (INR 9,999):

According to us, the Btwin Rockrider 300 definitely surpasses the best cycle under 10000 for adults.

The bicycle comes with sturdy and versatile wheels and frames that can take the hitting from rough and broken Indian roads thus, offering a smooth rolling over terrains with ease.

On a tight budget but still looking for a bicycle that's an all-rounder, the Rockrider 300 is just for you!

# Mach City iBike -Single speed (INR 6,799):

Looking to rediscover your city, the Mach City iBike is the quintessential city bike! The lightweight steel frame, durable nylon tyres and low maintenance cost is what makes it the best cycle under 10000 rupees.

Not only that, the bike also comes with a quick release system on the front wheel that makes it easy to attach and remove it.

You can also take a look at the [iBike for women](#) which are placed at the same price.

# Kross Bolt 26T Approx (INR 7000):-

The Kross bicycle is a mountain bike that comes with V-brakes and comes with a warranty on the frame for a year.

The bike offers a comfortable saddle and riding position which makes it ideal for city commute and leisure rides.

# Mach City iBike 7 Speed (men and women INR 8,649/-)

Low budget but still wish to own a bicycle with gears? Worry not, the Mach city iBike 7 speed has got you covered. The lightweight steel frame, a quick release front wheel, durable nylon tyres make it quite similar to the iBike.

However, this bike is also equipped with a 7-speed Shimano Tourney gear system with Revo Shifters for quick shifting between flat roads and climbs.

# Hercules Rodeo:

The best gear cycle under 10000 that is stylish, comfortable and rolls smoothly is the Hercules rodeo.

The Mech formed Hardtail steel frame and front suspension ensures superior ride quality.

The Rodeo is available in different variations that are listed below and are available at different prices.

- [A 50](#)
- [A 75](#)
- [A375](#)
- [Hank](#)
- [Hardliner](#)
- [Riot](#)

# Hercules Roadeo A50 26"

## INR 13,500:

The A50 is a super stylish hardtail MTB bike that comes in large and medium frame size. The bike also comes with Front Disc, Rear V-Brake and gears that make riding comfortable and fun.

# Hercules Riot:

The riot is another beauty from Hercules.

The bike is available in V brake as well as disc brake versions. It is equipped with 21-speed easy fire thumb shifters and Shimano gears. The bike is available in a medium and large frame that is comfortable to ride.

Unlike other bicycles, this Riot is equipped with quick release for both the wheels and the seat post.

# Munich Single Speed (INR 8499):

The Munich is another version of single speed bicycle by Mach city. However, the only difference we could spot from the iBike is that it comes in fancier colours. Besides the frame, seat post, bottom bracket and the tyres vary.

# Munich Single Speed (INR 8499):

This [21-speed bike](#) comes with features such as a lightweight steel frame, a quick release front wheel and durable nylon tyres.

It is also equipped with a 21-speed Shimano Tourney gear system with Shimano EZ Fire Shifters for quick, breezy rides.

# Kross Maximus 21 Speed Bicycle (INR 8000):

The Kross Maximus 26t single speed disc is a simple and functional bicycle that is good for Indian road conditions too. The bicycle offers comfort and makes to our list of the best bicycles under 10000 for adults.

# FitTrip Snypser 27.5": (INR 10500):

Looking for an affordable bicycle that comes with disc brakes, suspension and 27.5' wheels? The [FitTrip](#) is what you should be looking at. However, this bike does not come with gears.

# Rockrider 340 (INR 13,999):

A cool hybrid bicycle that is perfect for the city commute, occasional mountain biking and weekend-long rides is the [Rockrider 340](#).

The international standards of the lightweight aluminium frame and Shimano Tourney 21 speed makes it one of the best cycles for adults.

# Montra Downtown (INR 13,950):

Looking to get a bicycle for fitness purpose and for daily commute? The Montra downtown fits the bill perfectly. In fact, the bike is even reliable for the weekend-long rides.

It comes with disc brakes and still goes easy on your wallet.

# Cosmic Eldorado 1.0 L 21 Speeds: (INR 15000):

The Cosmic Eldorado 1.0L 26 – 21 Speed is an entry-level MTB that is manufactured by an Indian Brand.

The bicycle is for those who are looking to ride on bumpy roads and tackle mild trails. A good thing about this bicycle is it comes with basic suspension and disc brakes.

# Unirox AMSTEREDM 27.5 Unisex Aluminum-Alloy Single Speed Mountain Bike (Grey)

If you are looking for a unisex alloy bicycle frame the Unirox will serve the purpose.

Costing around INR 15,000, the bicycle front suspension, disc brakes and 27.5 tyres.

Do keep in mind, the bike does not come with gears
